The Correction of the Second Term Exam

Text:

School has been the most amazing and the funniest time I admired in my life. So when I look back on my class souvenirs, I feel that I lost something very precious, something that is impossible to return. My teachers, my classmates, my school and every single moment I lived there left special emotions and exceptional feelings on me.

I was lucky to have very respectful teachers who taught me sciences and important things in life, the hours I spent with them made from me a powerful person, they taught me to be self-confident, to believe in myself, to care for others, to be helpful, generous, courageous, perseverant, respectful and kind with others. Thanks to my teachers, I learnt plenty of moral values and good qualities. I was really affected by their personalities and behaviours. I remember Mr Talbi, my teacher of Arabic who has never been late or absent, he was known for his strictness, punctuality, rigor, sincerity and his mastery of work. This ideal man affected me and left a great impact on my personality, so I have always tried to be like him. Similarly, I will never forget my classmates Oussama, Yanis, Hani, Laid, Chafia and Bariza. They were my best friends since we spent unforgettable moments all together in our school.

My primary school was the most amazing and fascinating period of studying life ever. It was at Aaban Ramadhan Primary school in Eldjorf, Tebessa, from 1989 to 1995. I studied there for six years in which I met only women teachers. So, I found only one teacher who taught me in the 3rd year, she was Mrs Malkia. I enjoyed studying Geography and Environment Study. Some of the bad memoires when our teacher Mrs Mebarkia hit us much. I will never forget my dear friends such as Rehamnia Karim, Malkia Tayeb and others. I hope to meet them one day.
