Second –term test n 2

Molly Hornby was a young girl in the 1960s. Read what she says about it.

"I was a young girl in the 1960s. My friends and I used to do a lot of things which shocked our parents. We used to do things our mothers never did. We cut our hair, we wore short skirts and went dancing. We danced to the music of Elvis Presley and the Beatles. We also got the chance to see the Beatles live at a concert once. It was amazing. My father went fishing once a week. He always wished that I would accompany him, but fishing was not my cup of tea. Instead my friends and I went for picnics in the surrounding area quite often. My boyfriend had a car, a 1960 Ford Falcon, so he always picked us up and we often drove to Brighton. We went to the pictures twice a week and I loved to watch films with Marlon Brando and Elizabeth Taylor , especially the 'Reflections in a Golden Eye' starring both of them. I still love to watch this film. It's my favourite. I can remember it all so clearly."
