Hi, Johny.

My name is Elina. I am 11 years old. I am from Algeria. I'm so glad to give you information about my lovely country, Algeria . Algeria is located in the North Africa and it's a big and fantastic country . It has got many monuments such as Martyr's memorial in Algiers the capital, the suspended bridges in Constantine, and Mausoleum of Mauretania in Tipaza...People all over the world come to see the open Museum N'ajjer in the Tassili and Hoggar drawings . My national currency Is Dinar. Our independence day is on the 5th of July, 1962. Our national and Favourite dish is couscous .

Please find detached pictures of monuments in Algeria
