Hello! My name is Yanis. I am twelve years old and I am from Algeria. Algeria is a fantastic country located in North Africa, and its capital is Algiers. Algeria contains many famous monuments and places such as: Martyrs' Memorial situated in Algiers, Roman ruins in Timgad and Tipaza, and the Suspended Bridges in Constantine.

Now let me tell you about my town, I live in a town called Biskra. Biskra is situated in the South East of Algeria, it is famous for its countless palm trees and for its delicious dates.
