<u>SECOND TERM ENGLISH TEST</u>		

Read the text carefully then do the following activities

A/Comprehension (7pts)

UNICEF, the United Nations International Children’s Emergency Fund, is an organization that works to improve the lives of children around the world. Founded in 1946, UNICEF focuses on helping children in need by providing them with food, clean water, education, and healthcare. It also works to protect children’s rights and make sure they grow up in safe and healthy environments.

One of UNICEF’s main goals is to support children in poor or war-torn countries. The organization provides vaccines to fight deadly diseases, supplies clean drinking water, and helps children continue their education even in difficult situations. UNICEF also helps families by teaching them how to stay healthy and supporting communities with tools and resources to improve their living conditions.

In conclusion, UNICEF plays a vital role in giving children a better future. By working with governments and communities, it helps millions of children live healthier, safer, and happier lives. Supporting UNICEF’s work means helping to create a world where every child has a chance to thrive.
